

# CONTRACT FOR LIFE

*This contract is a promise between two people who care about each other. It is an opportunity to open, or continue, the discussion of the risks and dangers associated with impaired driving and riding with an impaired driver.*

**This is an agreement between two people who are:**

Parent / Son or Daughter

Brothers / Sisters

Friends

This agreement is between (first party) \_\_\_\_\_ and  
\_\_\_\_\_ (second party).

**Both Parties Agree To The Following Terms:**

- 1) If either party plans on going to a function where they know they will be drinking, they will make arrangements beforehand to ensure they have a safe and sober ride home.
- 2) If either party finds him or herself in a situation where they have been drinking, or if they are with people who have been drinking and they have no safe and sober ride home, they can call on each other for help and/or transportation at any hour and from any place.
- 3) Both parties agree to arrange for transportation for each other at any hour, from any place, with no questions asked and no argument at that time. Both parties will discuss the issue at a later time, in the spirit of trust and caring.
